

Circle of Determiners

All
Nearly all
Most
Many
A lot of
Some
Not many
Few
Very few
No/none

Brainstorm some more nouns or words to match each verb above.

Example conversation:

A: I think nearly all Thai people eat rice. Do you agree?

B: Yes, I do. And I think many people eat chicken.

C: That's true. But few people eat Mexican food.

Practice in groups of three. Then write down one of your conversations below.

A:

B:

C:
