## Teacher's Sheet

## Page 1

Dictate the words below (in any way you like) and tell the students to write the words on the appropriate pictures. But in some way challenge the students to find the picture for the word you are saying. For me, I like to dictate **one word per row going down row by row** (students have to choose one from three- for example, I say, "Row 1 delicious", "Row 2 lazy" etc. ). Explain the meanings of words as necessary. And then I **come back to the top and go down row by row again**. This time students have to choose one from two.

List 1	List 2	List 3
fast	compact	delicious
lazy	fashionable	heavy
busy	confusing	reliable
convenient	cheap	challenging
easy to use	fun	funny
modern	energy-efficient	attractive
soft	expensive	serious
comfortable	boring	interesting
weak	exciting	popular
dangerous	difficult	light
