4. Do you want to live in a singles neighbourhood or a family neighbourhood ?

5. Do you want to have a small yard or a big yard ?

6. Do you want to live near a train station or a park ?

Interview a partner about their lifestyle choices and then write a short report below.

For example:

I interviewed View and she told me she wanted to live in a busy area because she likes to go to markets and see all the different activities. She also wants a lot of appliances in her house because they make her life easier.etc....
