**Complete the sentences with your own ideas. Make sure to write a regret and past possibility.**

Eg. **We lost the game.** *I should have played harder. or I could have scored but I missed the goal.*

1. ....

2. ....

3. ....

4. ....

5. ....

Number 1

We lost the game. I should have played harder. I know I could have scored, but I missed the goal.

Number 2

My life is over! I lost a lot of money on the stock market. I could have bought a house with that money.

Number 3

What have I done? I spent all my money. I don't need all this stuff. I really shouldn't have gone shopping.

Number 4

Oh wow! , my throat is burning. I shouldn't have eaten that chilli.

Number 5

That's check mate! You lost in 5 minutes.

Oh! I thought I could have done better than that.

Number 6

I'm quitting smoking. I never should have started.

Number 7

She broke up with me because I don't have enough money. But I think we could have been so happy together.

Number 8

I got F minus, such a terrible result. My parents are going to be so mad. I should have studied harder.

Number 9

I had a terrible car accident. The policeman said the other driver must have been driving very fast.
