Number 1

I wear a cap, to protect my head from the sunshine.

And, I like to buy caps, that make me look cool.

Number 2

I keep my iPhone, in my jeans pocket.

Oh, I like to put money in my pockets.

Number 3

I like to wear high heels, when I go to parties, because I look like a fashion model.

I don't like high heels, because they're so uncomfortable.

Number 4

Wearing scarves, is very fashionable these days.

When I go to the snow, I wear a scarf, to keep my neck warm.

Number 5

There are many kinds of gloves for your hands.

Many people wear gloves, at the moment, to protect themselves from the coronavirus.

Number 6

You need a shirt collar, if you are going to wear a neck tie.

Sure! And usually, you need a shirt with a collar, if you are going to work in an office.

Number 7

In the summer, I like to wear short pants every day.

Yes. And I wear short pants, when I go to the beach.

Number 8

Some people, wear boots, because they do heavy work.

Other people, wear boots, because they want to look like cowboys and cowgirls.

Number 9

I keep my credit cards in my wallet.

I do too, and my wallet contains many important things, including my drivers license and other ID cards.

Number 10

I like to have zippers on my pockets, so I don't lose my money or my car keys.

Oh, I like zippers on my jackets, so I can zip myself up, and be dry and warm.

Number 11

I wear a jacket to keep me warm.

Also, a jacket protects you, from the wind and rain.

Number 12

I need to wear a belt, to hold up my pants. My pants are too big!

Yes, and a nice belt can help you look smart.

Number 13

People usually wear ties, to formal events, such as job interviews.

People also wear ties as fashion accessories. To show off or to look handsome.

Number 14

I love wearing jeans because they are really comfortable.

Me too. I love jeans because they are fashionable, and I can wear them anywhere.

Number 15

Actresses like to wear brand name dresses, when they walk the red carpet.

There are dresses for every occasion: for example: mini dresses, maxi dresses, T-shirt dresses, wedding dresses and so on.

Number 16

People wear necklaces, to make themselves look more beautiful.

But, other people, wear necklaces, to show that they are rich.

Number 17

I have to wear long pants, when I work in an office.

Right! It's expected, that you wear long pants, in formal situations.

Number 18

A bracelet, is an accessory, you wear around your wrist.

True. A bracelet, is an ornament or decoration, for the arm.

Number 19

What are sandals? They are a kind of open shoe. A kind of casual footwear

I wear sandals all the time. I love wearing them, in hot weather or to the beach.

Number 20

Jewelry are personal decorations, often made from, silver, gold or other precious materials.

Very good Ana! And earrings, and rings, are common kinds of jewelry.

Of course! I know that!

Number 21

Handbags are useful for carrying all kinds of things, including smartphones, cosmetics and tissues.

Handbags are also, a fashion accessory, that complete an outfit, and give women more confidence.

Number 22

A purse is similar to a handbag, but it's smaller, and usually holds cards and money.

That's right!. A woman's purse is like a man's wallet.

Number 23

Casual shoes, are informal footwear. I wear them on the weekends.

When I buy casual shoes, I want them to be really comfortable.
