.....to me.

Number 1

Make eye contact! It shows confidence!

Number 2

Put the desks in straight rows. Put them in neat and orderly straight rows.

Number 3

Turn around and talk to the person behind you.

Number 4

Face the front please

Number 5

Use your brains! Think for yourself! Don't copy from your friend!

Number 6

Put your homework on the pile.

Number 7

Take out your books! We're starting the class. Take your books out right away!

Number 8

Put your mobile phones away! No more online games. Put all your mobile phones away immediately!

Number 9

Hand in your assignments before August 3rd. That's the deadline. Hand them in before then.

Number 10

Underline and highlight the most important ideas.

Number 11

Time's up! Stop writing now! The exam is over.

Number 12

Pass your paper to me when you're finished.
