Answer the questions.

1 Why are you so stressed out?

2 Why do you have a stomach ache?

3 How do you protect yourself against sunburn?

4 How do you get that leg injury?

5 What should you do to prevent high blood pressure?

Number 1

Ahhh! Right there. It hurts. I came to the dentist because I have a really bad toothache.

Number 2

I have a really bad fever. I have a runny nose. I need lots of tissues. I don't feel good today.

Number 3

Oh what a bad cough! Maybe I should get a health check up.

Number 4

Oh dear! Look at this x-ray! It looks like you have a broken finger. (4)

Number 5

I am so overweight. I guess I eat too much junk food. I'll have to exercise and diet if I don't want to die of heart disease.

Number 6

Oh! I ate too much spicy food. Now I have a really bad stomachache.

Number 7

No, it hurts a lot. I fell down a ladder. I think I have a leg injury.

Number 8

Oh my gosh. There's a pain in my back. I have a backache. I can't even stand up straight.

Number 9

So many money worries! Food to buy! Bills to pay! It gives me such a headache!

Number 10

Ohh! look at me! I went to sleep at the beach. I got terrible sunburn. Now I have a red face !

Number 11

Phone calls! Meetings! Urgent decisions! This is too much. I'm so stressed out!

Number 12

Ahh! My throat hurts. I shouldn't sing so much. I don't want a sore throat.

Number 13

Oh my God! What's the time? 3:30 AM! I still can't sleep. I hate this insomnia.

Number 14

Let's put this around your arm. Hold your hand in a fist!

Ok doctor! What's the problem? Do I have high blood pressure? I shouldn't drink so much alcohol, should I?
