Number 1

Look! She has already fallen asleep.
Oh, but I haven't finished the story yet.

Number 2

So Eric, how has your job search been going?
Not good, I'm afraid I have already been rejected by many companies.
Unfortunately, I haven't found a job yet.

Number 3

Ryan, have you finished those reports for the meeting tomorrow?
Oh my God No! I haven't finished them yet.
And I have already done a lot of work.

Number 4

Amber, how is the new software going?
Well, Connor, I have already updated the computer with the new software.
But, I haven't used it yet.

Number 5

Ashley, have you finished that "to do" list?
Sorry boss, I haven't finished it yet.
However, I have already begun doing it. It won't take long

Number 6

I have already rejected his marriage proposal several times.
I'm so sad. We haven't got married yet.

Number 7

Ana, this is not good enough. You failed your Chinese exam again.
Yes I know. I have already failed this subject before. Poor me!
I haven't been able to pass this subject yet. I have to study harder.

Number 8

Where's Justin? Is he here yet?
Well, the plane's already arrived, but all the passengers haven't got off yet.

Number 9

So Sean, when are you going to start your new business?
Very soon! The loan has already been approved. But, we haven't spent any of the money yet.

Number 10

Am I late? I don't want to miss the race. What's happening?
You're ok! The race hasn't started yet. But they've already got into the starting position.
