Instruction to the candidate

You have 5 minutes to prepare for your examination. The subject matter is given in the topic below. You have to discuss this topic with the examiner and you will be expected to do most of the talking.

To help you in putting your ideas together, the topic is followed by some questions and suggestions for the basis of your conversation. However, you may introduce other ideas providing they are on the topic. You may keep this paper to help you during the examination. Give it back to the examiner at the end of the examination. Do not make any written notes during this preparation time.

The Topic: SHOPPING (Syllabus Topic 2)

Base your conversation on the following:

Describe the shopping facilities in your country –

Are the shops small, large or a mixture of both?

What is the difference between shops in the town and country?

How does this affect the buyer?

Can you see any future changes to this pattern?

If so, describe them and the possible effects.

For example, is the small shop being replaced by larger shops? Give examples.

How do you think shopping facilities could be improved?

(i) for those living in the country?

(ii) for those living in the towns?

Give examples of such improvements.
