What was it like? Was it a good place to take a break?

Oh yes Sonya! It was really enjoyable. There are lots of amenities. For example, they have good wifi. The fitness centre is great, and you can use it anytime you want. Also, you can walk to the local market at night.

What about your room? Was it nice?

It was a pool villa with a garden view. It wasn't noisy at all. It was peaceful and relaxing.
