What is your greatest fear?

I have a fear of heights.

Why do you have a fear of heights?

I'm not sure, I just don't like being up high. It makes me feel uneasy.

What can you do about your phobia about heights?

There are some things I can do to try and overcome my fear. I can start by looking at pictures or videos of people being high up, and then gradually work my way up to being in those situations myself.

Do you have any other phobias?

No, I don't think so.
