## Script

I was browsing online for shoes, and I found a pair I really liked. The online discount was 50%, so I decided to buy them. I chose my item, and added it to the shopping cart. Then, I chose my payment method. I then went to the tracking page, to see when my shoes would be delivered. The global delivery service said that my shoes would be delivered in two weeks. I was a little disappointed, because I wanted them sooner. I contacted customer service, and they said that I could return the shoes to the company if I wasn't happy, with the wait. I decided to search for a different product online. I found a pair of shoes I liked but they were out of stock. I decided to check back later to see if the shoes came back in stock. The website said that the shoes would be back in stock in a week. But, I was impatient, so I decided to find a similar pair of shoes from a different company. Eventually, I found a pair of shoes, but the website was very slow to download. So, once again, I decided to try a different website. I finally found the perfect pair of shoes, and I got them at a great price. I was very happy with my purchase. I would recommend shopping online to anyone, who is looking for a great deal.

## Questions

1. How do you find good deals online?

There are a few different ways to find good deals online. You can start by checking out websites that specialize in finding deals, such as Slickdeals or DealNews. You can also sign up for newsletters from your favorite retailers to receive notifications about sales and discounts. Additionally, you can follow your favorite stores and brands on social media to stay up-to-date on the latest deals.

2. What are 3 advantages of online shopping?

Some advantages of online shopping include convenience, a wider selection of products, and the ability to compare prices easily. With online shopping, you can shop from the comfort of your own home and have items delivered right to your doorstep. You also have access to a much wider selection of products than you would if you shopped in a brick-and-mortar store. And, with a few clicks, you can easily compare prices of similar products to find the best deal.

3. What are some of the things you have purchased online?

I have purchased a variety of things online, including clothes, shoes, books, and electronics.

4. Have you ever had a problem when shopping online? Explain.

I have had a few problems when shopping online. Once, I ordered a dress that ended up being too small. Another time, I ordered a book that arrived damaged. In both cases, the companies I ordered from handled the returns.

5. What should you do if you have a problem with an online purchase? If you have a problem with an online purchase, you should reach out to the company you ordered from. Many online retailers have excellent customer service and will work with you to resolve any issues.
