Hey Kimberly, I heard that you're thinking of starting a business. What kind of business are you interested in?

Yes Amy. I want to open a laundry service.

So what's the main reason to start this kind of business?

Well..... when I go to a laundromat, I get bored waiting for the clothes.

Hmmm.....I get it. It takes too long. What original ideas do you have to improve a laundry service?

In my opinion, I think It must have, high quality washing machines, free wifi, good prices, comfortable seating, and we need to provide some trendy beverages. But I have a problem.

What problem? Is it about location?

You're absolutely right. I can't find a good location.

Oh! you're lucky! I have a good place to suggest. I'll send you the information.

Thanks so much!

Hey Justin, what do you want to do, in the future?

I want to open my own restaurant.

So what do you need, to run a successful restaurant?

It needs a good location, and the prices, have to be affordable.

Hmmmm...That's not an original idea, but it's true. What else?

Well, I want to design, a minimalist restaurant. And, I want to provide good customer service.

Okay, and what services will you provide?

I will provide free wifi, and battery chargers. I want customers to feel comfortable.

Cool! I hope you'll be successful.
