Hey Levi, I heard you went to that new restaurant. Was it easy to find?

Ashley! It's quite a story! At first, we couldn't find the restaurant. The directions were extremely confusing! We kept getting lost.

What? You couldn't find the restaurant? That's crazy.

Finally! we got there! But there were no spaces available in the carpark. We had to go down the street, and park in a driveway

Oh no! That sounds like a nightmare! I'm glad you finally found the place though. So what was the atmosphere like?

It was very crowded, and there were some very weird people there. Some people were taking a really long time, deciding what to eat. Others were playing on their mobile phones, and totally ignoring the waitresses

Yeah, I know what you mean. I hate going to restaurants that are too crowded and full of people who are just looking at their phones. So how was the service?

I think the waiters and waitresses, were trying to be friendly, but they got quite annoyed. And the music was very loud. So people were shouting!

Hmm... I would have been so frustrated, if I were them! I'm glad I don't have to work in a place like that. So what did you eat?

Well, when we sat down, they said they had nearly run out of food. We only had two choices: soup, and broccoli.

That's ridiculous! I would have been so upset if I were there.

Not only that!...the soup was too spicy....and the broccoli was tasteless. The kids said it was disgusting. And the dessert, chocolate cake, was really messy. I really think the chef was drunk!

Wow! I hope you didn't have any other problems.

Well, actually, one more problem. When we got back to our car, there was a wheel lock on the tyre, because we parked illegally.

No way!

Yeah! So we had to pay a fine.

Sounds like a terrible evening. I'm sorry to hear that.
