Questions 9 (example 1)

A: What do you like about your city?

B: I like that my city is small and that I know most of the people in it.

A: Why is that?

B: I like feeling like I'm a part of a community and that I can trust the people around me.

A: And what do you dislike about your city?

B: I dislike that there isn't much to do and that it can be pretty boring.

A: Why is that a problem?

B: I get bored easily and I like to be able to go out and do things.

(example 2)

A: What do you like about your city?

B: It's really convenient. There are a lot of things close by.

A: What do you mean?

B: It's just really easy to get around and there's always something to do.

A: And what do you dislike about your city?

B: The traffic. It's really bad.

A: Why is that a problem?

B: It's just really frustrating. It's hard to get around and it's always congested.
