6 What other kinds of transportations have you used?

- 1 automobiles
- 2 cable car
- 3 caravan
- 4 cruise ship
- 5 ferry
- 6 helicopter
- 7 light rail
- 8 limousine
- 9 camper van
- 10 ultralight
- 11 speedboat
- 12 off-road vehicle
- 13 hovercraft

1 My favorite kind of transportation is the subway because it's fast and efficient.

2 I have ridden a cable car in San Francisco. It was a lot of fun!

3 I would travel on a cruise ship to Alaska because it would be a great way to see the scenery.

4 I think the future of automobiles is electric cars. They are more environmentally friendly and they don't produce emissions.

5 I think the caravan experience is a great way to travel. You can see a lot of different places and meet new people.

6 I have used other kinds of transportation such as buses, trains, and planes.
