Match the words to the sentences above. Decide whether you agree or disagree and give a reason for your choice.

**window shopping, bargain, looking for,
shopaholic, bored, try on, prefer,
waste, enjoy**

Answers and possible reasons.

1 I **enjoy** shopping

I agree. Shopping can be enjoyable, especially when you find a good deal on something you want

2 I get really **bored** when I go shopping.

I agree. Shopping can be boring, especially when you have to go to a lot of different stores.

3 I'm a **shopaholic**. I buy everything.

I agree. I can be a shopaholic. I tend to buy things even if I don't need them.

4 I enjoy **window shopping**, just looking and not buying much

I agree. Window shopping can be fun. You can look at all the different items without having to buy anything..

5 We **prefer** to shop online.

I agree. We prefer to shop online because it is more convenient.

6 I'm a **bargain** shopper. I want the cheapest price.

I agree. I am a bargain shopper. I want to get the best deal possible.

7 I never find what I'm **looking for** when I go shopping.

I agree. Sometimes it can be hard to find what you're looking for when you go shopping.

8 I should never go shopping. Shopping is a **waste** of money.

I disagree. Shopping is not a waste of money. It can be helpful to buy things you need.

9 I like to **try on** clothes before I buy them.

I agree. It is important to try on clothes before you buy them because you want to make sure they fit.
