Jason! Hi! Wait for me! I want to tell you the big news! We just moved into a new house.
Cool! What's it like?

It's really comfortable. It's quite a big house and it's very convenient and really quiet.

Nice! What's so convenient about it?

Well, It's quite close to the grocery store, and the bus stop.

Ok. and it's so noisy around here. How come it's so quiet?

The walls, are really thick, so you can't hear anything from the outside.

Wow, that's good! Describe the house for me.

It's a two-story house, with four bedrooms, and three bathrooms. The kitchen is really big, and there's a lot of storage space.

Three bathrooms? That should be enough! And which room is your favorite?

I really like the living room, because it's really cozy, and has a lot of natural light.

That sounds great! I'm glad you like it. So what can you do around there on weekends?

There's a lot of things to do. There's a park nearby, and a lot of restaurants and shops.

Ok! I'll visit you soon.

Sure. I'll invite you to our house warming party.

Thanks! Have a nice day Andrea.
