- “a board game”      “a variety of toys and games”

**Gift shop: asking about prices**

**Create the questions for these answers.**

- |                                    |                                   |
|------------------------------------|-----------------------------------|
| 1. _____ The price is \$20.        | 6. _____ Yes, we have a similar   |
| 2. _____ This costs \$20.          | item for just \$15.               |
| 3. _____ I have about \$20 dollars | 7. _____ This will cost you \$20. |
| to spend.                          | 8. _____ No, there are no         |
| 4. _____ We accept cash, credit    | additional fees.                  |
| cards, and PayPal.                 | 9. _____ Delivery is free for     |
| 5. _____ Yes, we have a 10%        | orders over \$50.                 |
| discount for members.              | 10. _____ The cheapest price for  |
|                                    | this item is \$20.                |

**Listen to the audio and complete the conversation.**

Customer: Excuse me, do you have any gift ideas, for my 1 \_\_\_\_\_?

Salesperson: Sure! We have a variety of toys and games, that would be perfect for a 10 year old . How much are you 2 \_\_\_\_\_?

Customer: I'm not sure. Maybe, around \$20. Do you have anything in that 3 \_\_\_\_\_?

Salesperson: Yes we do. We have 4 \_\_\_\_\_. We have a puzzle book, that's only \$10. And we also have, a remote control car for \$20. Which one do you think he'd like more?

Customer: Hmm, maybe the puzzle book. Do you have anything else that's 5 \_\_\_\_\_?

Salesperson: Well we have some smaller items, like 6 \_\_\_\_\_ and coloring books. They're only a few dollars. Or, if you'd like, to spend a little more, we have a board game 7 \_\_\_\_\_. It's really popular with kids his age.

Customer: Okay! I think I'll take the puzzle book. 8 \_\_\_\_\_

Salesperson: The puzzle book is \$10, so with tax it 9 \_\_\_\_\_.

Customer: Great, 10 \_\_\_\_\_. Thanks for your help.

Salesperson: You're welcome! Enjoy the puzzle book and have a great day.

**Listen to the audio and complete the conversation.**

1 like to spend 2 looking to spend 3 price range 4 a few options 5 a little cheaper 6 stickers 7 for \$25  
8 How much is it 9 comes to \$10.70 10 I'll take it

Customer: Excuse me, do you have any gift ideas, for my 10 year old son?

Salesperson: Sure! We have a variety of toys and games, that would be perfect for a 10 year old . How much are you looking to spend?

Customer: I'm not sure. Maybe, around \$20. Do you have anything in that price range?

Salesperson: Yes we do. We have a few options. We have a puzzle book, that's only \$10. And we also have, a remote control car for \$20. Which one do you think he'd like more?

Customer: Hmm, maybe the puzzle book. Do you have anything else that's a little cheaper?

Salesperson: Well we have some smaller items, like stickers and coloring books. They're only a few dollars. Or, if you'd like, to spend a little more, we have a board game for \$25. It's really popular with kids his age.

Customer: Okay! I think I'll take the puzzle book. How much is it?

Salesperson: The puzzle book is \$10, so with tax it comes to \$10.70.

Customer: Great, I'll take it. Thanks for your help.

Salesperson: You're welcome! Enjoy the puzzle book and have a great day.

**Create your own conversation: (another example)**

Customer: Hi, do you have any gift ideas for a teenager?

Salesperson: Sure, we have a variety of items that would make great gifts for a teenager. How about this new book that just came out, or this trendy t-shirt?

Customer: Hmm, those are both nice options. Do you have anything more unique?

Salesperson: Well, we have this hand-crafted bracelet made by a local artisan, or these scented candles that come in a variety of fun flavors.

Customer: I think the bracelet would be perfect. How much is it?

Salesperson: The bracelet is \$25.

Customer: Great, I'll take it. Do you have gift wrapping available?

Salesperson: Yes, we do offer gift wrapping for an additional \$5.

Customer: Okay, I'll take the bracelet and have it gift wrapped please.Salesperson: Of course, that will be \$30 total.

Thank you for shopping with us!
