Welcome to class everyone! Today we're going to talk about cause and effect, using if, and so, and when. Let's look at the first picture. What's the situation? Jacob, would you like to explain this picture?

Well, I think this is a very successful company. Maybe it is a tech company.

Ok, a successful tech company. So what's the cause of this success?

I think: creativity, innovation and hard work. When a company is creative and innovative and everyone works hard, it can be very successful.

Sure. So now we go onto Number 2. What's happening here, Amber?

It looks like this young woman, just won a scholarship.

Yes! I agree! And Amber, how do you win a scholarship?

Ummmmmm well, you have to study really hard. You have to get very good grades. If you study hard and get good grades, you can get a scholarship to study abroad.

So true! Alright, in Number 3, what's going on? Sonia, your turn!

I think these two guys respect each other.

I think they do. And how do you gain respect like this?

For me, I try to be honest, polite and helpful, so people will respect me.

Excellent answer. Number 4. What's this woman's situation? Ethan?

I think she's a celebrity. She's very popular. And everyone wants to know everything about her life.

Yes, it sure looks like it. And how did she become famous?

I think that it requires a lot of talent, and determination. If you have a lot of talents and determination, you can become very famous. Like Lady Gaga and Madonna.

Wow! You're a fan of Lady Gaga! Interesting! Ok, Number 5. What's up with these guys? Hollie?

Welll, this is a group of friends. I think this is about having a lot of friends.

And Hollie, how do you make a lot of friends?

You need to be: outgoing, friendly, and kind. If you're outgoing, friendly and kind, you're sure to make friends easily.

Very good! Number 6. Brandon, what do you make of this picture?.

Ok,well, I think this woman feels free. She has the freedom to do what she wants when she want.

Really? I'm envious! How does she get a lifestyle like this?

I think she is a very independent person. Perhaps she is a freelancer. She might be an online influencer. She became an online influencer, so she could have the freedom to work when and where she wants.

Alright, number 7. I think this guy is an olympic champion. Elizabeth, what causes and effects can you see here.

He had a dream. When you train hard and follow your dream, anything is possible. You can even become an Olympic champion.

Let's move onto number 8. What's happening here?

This woman is doing a driving test.

Ok and how can she be sure that she'll pass her driving test?

She needs to study the road rules, and practice driving every day for several months, so she'll be confident about passing the test.

Ok, finally, we come to the last scenario, number 9. Sara, what's this about?

It's about getting a good job, and making a good impression, in a job interview.

Oh wow, and how would you suggest we do that?

If you want a good job, you need to understand the job requirements, dress neatly, talk politely, and make eye contact during the interview.

Ooooh.... excellent answer. I would give you a job immediately. Ok everyone! Class is over! Thankyou for your awesome answers.
