2. \_\_\_\_\_
3. \_\_\_\_\_

**Long waiting times at hospitals: Causes:**

1. Insufficient medical staff for patient volume
2. Limited medical resources and facilities
3. High prevalence of non-urgent cases using emergency services

**Failure of teamwork: Effects:**

1. Decreased productivity and efficiency
2. Increased stress and dissatisfaction among team members
3. Poor project outcomes or service quality

**Sleeping at work: Causes:**

1. Lack of adequate sleep or poor sleep quality
2. Excessive workload leading to fatigue
3. Low employee engagement or unchallenging work

**Fear of flying: Effects:**

1. Avoidance of opportunities involving travel
2. Increased anxiety and stress related to travel
3. Reliance on alternative, often less efficient, modes of transportation

**Getting pickpocketed: Effects:**

1. Loss of personal belongings and potential identity theft
2. Emotional distress and feeling of violation
3. Financial loss and the inconvenience of replacing documents and cards

**Work injuries: Causes:**

1. Inadequate safety measures and training
2. Poor workplace ergonomics
3. Equipment malfunction or improper use
