## Interview Answers

### 1. What kind of movies do you like?

I like action and science fiction movies because they're exciting and have amazing special effects.

### 2. Do you like comedy movies? Why/why not?

Yes, I love comedy movies because they help me relax and laugh after a stressful day.

### 3. Who do you go to movies with?

I usually go with my friends on weekends, or sometimes with my family for special occasions.

### 4. What do you like to eat at movies?

I always get popcorn and a large soda. Sometimes I sneak in chocolate if the theater allows it.

### 5. Where is your favorite movie theatre?

My favorite is the Central Cinema because they have comfortable seats and great sound systems.
