

## Genre Awareness:

1. What kind of movie usually has ghosts and makes people scared?
2. Which genres typically show events from the past or historical figures?
3. Do thrillers make people excited or sad? What feelings do they create?
4. Name a genre where everything is made using computers or drawings.
5. What type of show follows real people in their everyday lives?

## Genre Opinions:

6. If you could live inside any movie genre, which would you choose and why?
7. Which genre teaches you the most about real life? Give examples.
8. Are romantic movies more interesting than action movies? Why/why not?
9. Would you rather be in a comedy or a fantasy world for one day? Explain.
10. Which genre do you think is the hardest to create well? Why?

## Personal Connections:

11. What was the last movie you watched and what genre was it?
12. Has a documentary ever changed your opinion about something? How?
13. Do you prefer watching shows with one episode story (sitcom) or continuing stories (drama)?
14. If your life was a movie, what genre would it be right now? Why?
15. Which genre do you think will be most popular 20 years from now?
